**\* Co-op degrees in Business:**

The 4 year Co-op degree programs have stand-alone UAC codes. Students applying for Co-op (ACC, ACT, BIS, CIS, FIN, MKT) will need to list this code in their preferences.

**IMPORTANT:** If students want to come to UNSW to do Business even if they are unsuccessful in gaining a Co-op scholarship, they will also need to list the standard UNSW degree UAC code in their preference list. **Last updated: May 2019.**
