Get a head start on your career with a one-off 6-month internship with a Co-op Industry Partner.

Being awarded an internship by UNSW Co-op is an outstanding addition to your resume and an excellent opportunity for you to gain experience prior to graduation. The successful applicant will receive:

- **$19,600 in total**
- A 24-week full-time placement beginning January 2022 (date TBC) offering 'real-world' industry experience.

More information about the industry placement requirements can be found in the Internship Guidelines.

**ELIGIBILITY**

Applicants must be permanent residents or Australian citizens, currently enrolled in an Engineering program (single or dual-degree) and majoring in **Software Engineering** or **Computer Science**.

A competitive candidate will have achieved a credit minimum in all courses and overall WAM. Some industry experience is preferable. Having met the academic and experience requirements, successful applicants are largely selected on their interpersonal skills and motivation.

If offered the internship, you must be prepared to:

- work 24 weeks full-time at the industry partner below;
- work continuously for 24 weeks, placements cannot be split;
- be enrolled in the relevant internship course; and
- study no more than 1 additional course in each term (T1+T2, 2022).
