Get a head start on your career with a one-off 6-month internship with a Co-op Industry Partner.

Being awarded an internship by a major Co-op Partner is an outstanding addition to your resume and an excellent opportunity for you to gain experience prior to graduation. The successful applicant will receive:

- a 24-week full-time placement beginning in June (date TBC) offering 'real-world' industry experience.
- 24 weeks of paid experience with Singtel Optus.

ELIGIBILITY

Applicants must be permanent residents or Australian citizens, currently enrolled in a Commerce or Media program (single or dual-degree) with an interest in communications and change management. Shortlisted candidates will need to provide writing samples.

A competitive candidate will have achieved a credit minimum in all courses and overall WAM. Some industry experience is preferable. Having met the academic and experience requirements, successful applicants are largely selected on their interpersonal skills and motivation.

If offered the internship, you must be prepared to:

- work 24 weeks full-time at the industry partner below;
- work continuously for 24 weeks, placements cannot be split;
- be enrolled in the relevant internship course; and
- study no more than 1 additional course in each term (T2+T3, 2021).

IMPORTANT INFORMATION

Co-op managed Internships may attract UOC and HECs & may count toward your degree*.

- Business School - 12 UOC for a 24-week Internship* (A maximum of 6 UOC can be counted in each of your Business School majors)
- Faculty of Arts & Social Sciences – 12 UOC for a 24-week Internship^ (counted as a science elective or free elective)
- Science Faculty - 6 UOC* (counted as a science elective or free elective)

* The UOC awarded to this Internship will only count toward your degree IF it can be accommodated as above or within your remaining free electives.

Co-op managed Internships in Engineering (and some Co-op managed Internships in Science) will not count towards your degree, nor attract a HECS fee, but will allow you to keep your enrolment status as a full-time student at UNSW. Successful completion of an Engineering / Science internship will appear on students' AHEGS.

A Progression Check is essential to understand how this internship will affect your degree progression.
